Mission Team 1

Mission Team 2

We praise our God for the workers He sends out into the field! Our conference has been blessed by the work done and the commitment involved by each person who served on these two missions teams along with the time and commitment given by Coordinator Bob Palmberg. We are grateful for the monies given by our churches to make this work possible. May God continue to bless the Mountain Village Covenant Church, Rev. and Mrs. Carl Elwood and the Mountain Village community.
